Objective

To find a summer job that utilizes and expands my coding skills.

Summary

- Experienced with HTML, CSS, Javascript, Java and Python.
- Friendly and good at communicating and working with people of all ages.
- Have taught coding informally through Drake High Developers Club.

Work Experience

Freelance Video Editor, San Anselmo, CA November 2015 - present

- Edit travel and cooking videos in Final Cut Pro X.

Lighting Technician, Woodacre Trapeze Camp, Woodacre, CA July-August 2014 and 2015

- For two summers, I hung lights, organized audio and video equipment, created a soundtrack, and ran lights and video presentations during performances.

Volunteer Experience

San Anselmo Cooperative Nursery School, San Anselmo, CA October - November 2014

- Played with kids, organized activities, and cleaned facility.

Education

Sir Francis Drake High School, San Anselmo, CA August 2013 - present

GPA 4.0. Will graduate in June 2017.

Member of Link Crew and California Scholarship Federation.

Currently enrolled in AP Computer Science.

Awards/Certificates

Received recognition for participating in the annual Congressional App Challenge March 2016

Extracurricular Activities

Officer, Drake High School Developers Club September 2014 - present

Co-founded the Drake Developers Club. Organize meetings and events, manage website, and teach web development to club members.

Other Interests

I have been studying piano for eight years and enjoy playing jazz. I also like to mountain bike and make music with Pro Tools.
